White Stallion Ranch will provide all set up, breakdown and cleaning of the event space(s) including all tables, ceremony and reception chairs and appropriate table linens. We will also provide transport between the venue and event parking area. We will work with and coordinate vendors on the day of the event and provide staff for the smooth running of your day. You are responsible for the hiring and organization of all outside vendors up to the day of the event and the decoration of the event space(s) beyond the parameters listed above. Due to the rules of our liquor license, we will provide Bar set-up, bartending staff and all products for your bar, including all alcoholic beverages.

We can provide you with a list of preferred vendors that we have worked successfully with in the past as a guide. However, you are welcome to use any vendor that you prefer, so long as they abide by our guidelines whilst on property.
